Permit Amendment Public Notice

Cane Island, Inc, OCRM-12-243-S

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

LOCATION: On and adjacent to North Santee River at N. Santee Bay & N. Santee River Rd., Georgetown, Georgetown County, South Carolina. TMS: 01-1015-001-00-00.

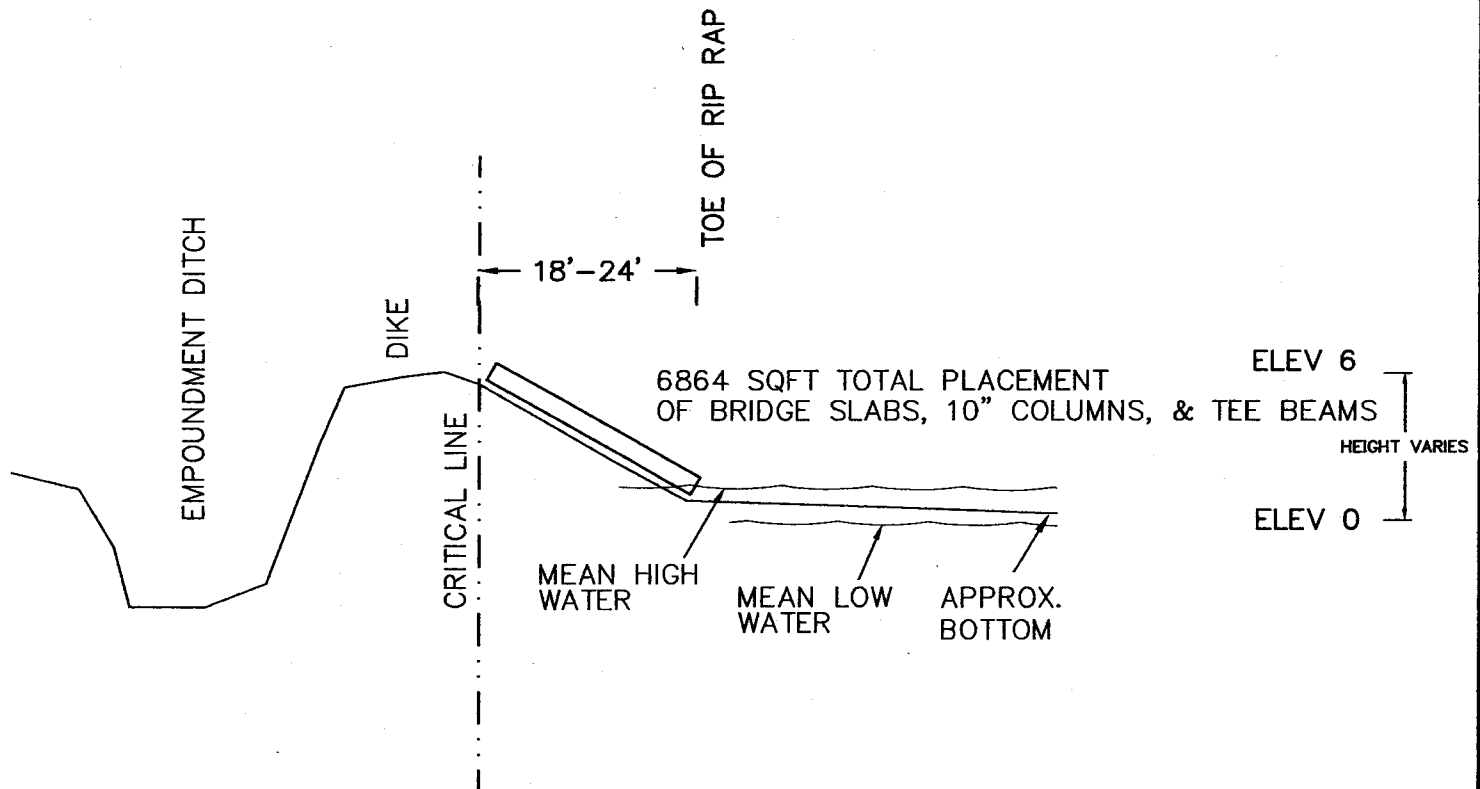

WORK: The permittee has requested an amendment to the issued permit. Specifically, the permittee requests to change the erosion control materials from man-sized granite stone to include bridge slabs, concrete pilings and T-beams. The amendment request is for modifications to a previously permitted riprap revetment for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

Comments regarding this application must be received by the Department on or before **June 27, 2013**. For more information, please contact **Chris Stout** at **843-238-4528** or via email at **stoutcm@dhec.sc.gov**.

NOTE: Plans depicting the proposed work are available and will be provided upon receipt of a written request or may be viewed on the Department website at **www.scdhec.gov/environment/ocrm/public_notice.htm**.
